

# Temple Made of Time

Mark Bond

C F G C F G C  
God took six days and created earth and moon the stars and sun

F G C F G C  
On the seventh day He rested from the work that He had done

F C F C  
Then He blessed it made it holy as a gift for every man

F C F G C  
To remind us where we came from and just how this world began

G C F G  
Chorus: Holy day purified set apart sanctified

C G C F G G7 C  
enter in to joy divine in a temple made of time

See Him worship on the Sabbath as His weekly costume was  
feel the furry of the rabbis for He would not heed their laws  
So they killed Him on a hillside as the sun began to fade  
but He even kept the Sabbath as they laid Him in the grave.

Chorus

Oft forsaken and forgotten desecrated and profaned  
But the sacred fourth commandment is still valid and unchanged  
Hear the Father gently calling if you love Me heed each one  
not for merit or salvation but because you love My Son.

Chorus 2X

Ending: You will find joy divine in this temple made of time.
